Subject: Truth in Lending

I would like to see these two practices implemented in regards to the Truth in Lending Act.

1- Require a "Schumer Box," which discloses abbreviated credit-card pricing terms on credit-card solicitations, on the final agreement after a credit card is issued. This way, you'd be able to see if you're actually being charged the same rates and fees as you thought

2- Require a lender to issue a simplified table in the "change in terms" notice, showing pricing "before" and "after" the change
